CONGRESS GREETING

Dear Ski instructor Colleagues,

A warm welcome for the present delegates of the INTERSKI, ISIA, IVSI and AIVSS, personally Erik Melmer, Riet Campell, Norbert Barthle and Dieter Bubeck.

It is the first time in the Hungarian sport history that any of the snowsport world organisations organises a congress in Hungary, "at the people of the Puszta". And now we are hosting the IVSI Congress. This one-week event takes place on a very current anniversary. The Federation of Hungarian Skinstructors (SMSZ) celebrates the 20th anniversary of its foundation. Do we need a greater celebration and honour as this congress?!

The Hungarian ski instructors had a long and hard way till here, but also full of joyful experience. We have behind us the INTERSKI congresses of St. Anton 1991, Nosawa-Onsen 1995, Beito-stolen 1999, Crans-Montana 2003 and Pyong-Chang 2007, the IVSI congresses of La Tanja 1997, Zakopane 2001 and Lech 2005. 1991 in St. Anton we got admitted the INTERSKI and IVSI organisations.

Following our admission 1994 the Institute of Coaching Sport Education at Semmelweis University Faculty of Sport Sciences launched the national ski instructor education with the contribution of the chief instructors of the Hungarian Ski Instructors Association. Our organisation trained with great enthusiasm and ambition one-star and two-star (IVSI-badge) ski instructors.

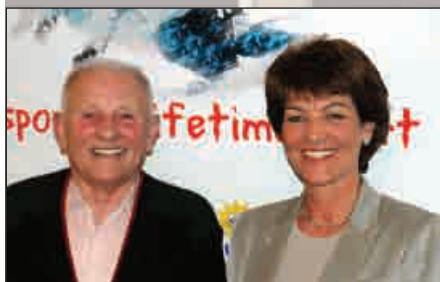

We were never left alone at our work. Besides the experience of the international conferences our neighbour were always helping us. We could take part in the annual coordination of the ÖVSI. We are very grateful for all this!

2004 we got admitted to the ISIA with the unanimous consent of the presidency and the members. We are very proud that the Hungarian Ski Instructors Association may represent the Hungarian ski instructors in international organisations.

It is a great honour for us to organise the IVSI Congress in Hungary. We presume, this decision is recognition of our commitment and professional development in the past 20 years.

PREPARING THE CONGRESS

Dear Members and Friends of IVSI!

The presence of INTERSKI and especially of myself as Interskipresident is a great pleasure and honor for us. I am convinced that IVSI brings us an interesting program, and many ideas to be realized in the international Snowsport Education. Good luck and "Ski Heil"!

Erich Melmer
President Interski

Dear ski friends,

I hope you will have a nice congress here in Mátra, where you will find ways for snowsport development and energy to pursue your passion and mission for snowsports and skiing.

All the best,

Kjell Ruder
Vice President Interski International

Dear Hungarian Snowsportfriends,

A special greeting to my old friends in the neighbouring country. I wish you success for the first IVSI Congress in Hungary and joy for the 40-year anniversary of the IVSI-Congress.

Fritz Mares
General Secretary
Interski International

As a representative of INTERSKI Austria

I welcome the IVSI Congress held by our Hungarian neighbours with whom we have had much in common. Besides exciting presentations, practical workshops, participants will have the opportunity to exchange experiences and to maintain their social contacts, to make new ones and thus establish the basis for lifelong friendships.

Interski Austria wishes a successful congress in this sense.

Karin Glatt
President Interski Austria

I look forward to the first IVSI-Congress in Hungary.

Back in 1969 the first IVSI-Congress was held in Mürren, Switzerland, now we gather in a Hungarian ski resort. I think this is a great Symbol in the 40 year history of the IVSI-Congress. I congratulate the Hungarian snowsportsmen and -women for their courage, their commitment and their determination. They contribute to a further positive development of winter sports.

Norbert Barthle
President IVSI

Dear Hungarian Snowsport-friends,

In the era of globalization, it is increasingly important to organize international conferences to maintain the exchange of proficiency, and to be able to constantly develop our wonderful sport.

We wish success to the Organizing Committee and interesting talks to the participants. As important stakeholders of the Snowsport we will master the future if we build the foundation of it together.

Riet R. Campell
President ISIA

Greeting IVSS

The International Association of Snowsports at Schools and Universities is pleased to welcome the IVSI Congress in Hungary. This shows the great interest of this nation in snowsports. We would be very happy if this event would have a positive impact on the skisport in Hungarian schools and on the education at academic level as well. Bringing children and the youth by this way to skisport means an entrance to the "Snowsport as lifetime sport". We wish the organizers and all participants a successful and memorable Congress in Mátra.

Dr. Dieter Bubeck
Vice President IVSS

Dear friends of Skisport,

As a representative of one of the most traditional ski resorts in the world, I am particularly pleased to be a guest at a young and emerging resort. Hoping that the Hungarian skisport reaches more popularity by the IVSI Congress, I wish all guests and visitors a lot of fun in skiing.
